SUPER SPECIALITY
HOSPITAL**

CONFERENCE BROCHURE

A Warm Invitation

Dear Friends,

It gives us immense pleasure to invite you to the **28th Joint Maharashtra State Conference of IAPSM & IPHA – MHIAPSMIPHACON 2027**, to be held from **7th to 9th January 2027 at MGM Medical College & Hospital, Chhatrapati Sambhajinagar.**

With the theme “Changing Paradigms in Public Health: Preparedness, Peace and Resilience,” this conference seeks to bring together public health professionals, community medicine specialists, epidemiologists, academicians, researchers, healthcare administrators, policymakers, students and professionals from diverse disciplines onto a common platform.

Public health is continuously evolving. Emerging infections, climate change, demographic transitions, antimicrobial resistance, health inequities, mental health challenges, technological disruptions, conflicts, disasters and rapidly changing patterns of disease demand that we rethink how health systems prepare, respond, recover and build resilience.

MHIAPSMIPHACON 2027 aims to explore these changing paradigms through scientific deliberations, expert perspectives, research presentations, interactive discussions and hands-on pre-conference workshops.

We warmly invite you to be a part of this academic gathering and contribute to meaningful conversations that can shape the future of public health.

We look forward to welcoming you to Chhatrapati Sambhajinagar for an enriching academic experience.

With warm regards,

Organising Committee

MHIAPSMIPHACON 2027

About MHIAPSMIPHACON 2027

The 28th Joint Maharashtra State Conference of IAPSM & IPHA is envisioned as a premier state-level academic platform bringing together professionals committed to strengthening public health practice, education, research and policy.

The conference will provide opportunities to exchange knowledge, present research, discuss emerging challenges and explore innovative approaches to public health preparedness and resilience.

From community-level interventions to health-system preparedness, from epidemiological surveillance to technological innovation, the conference will explore the multiple dimensions shaping contemporary public health.

MHIAPSMIPHACON 2027 is designed to foster learning, collaboration, innovation and meaningful professional connections among the public health community.

About MGM Institute of Health Sciences

A Leading Centre for Healthcare, Education & Research MGM Medical College & Hospital, Chhatrapati Sambhajinagar (Aurangabad) is a constituent unit of the MGM Institute of Health Sciences, a NAAC 'A' ++ Grade University Deemed-to-be University.

Established in 1990 under the leadership of Shri. Kamalkishorji Kadam, the institution has evolved into a leading healthcare, academic, and research centre in India.

With a strong emphasis on academic excellence, advanced clinical care, research, innovation, and community engagement, MGM Medical College & Hospital continues to contribute significantly to the development of healthcare professionals and public health

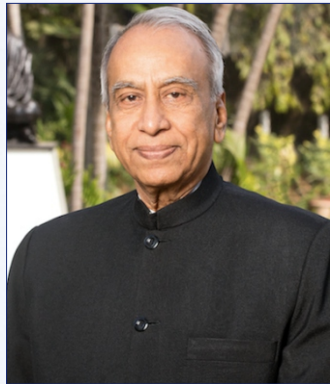

About the Host Department Department of Community Medicine

MGM Medical College & Hospital, Chhatrapati Sambhajinagar
Building Healthier Communities

Established in January 1990, the Department of Community Medicine is dedicated to training medical professionals as first-level community physicians, promoting primary healthcare, strengthening rural outreach, and driving meaningful public health research.

The department combines academic teaching, field-based learning, preventive healthcare, community engagement, research, and capacity building to prepare healthcare professionals for the evolving challenges of public health
