

Dimensions & Format

- **File Type**: PDF, PPTX, or high-resolution JPEG (as specified by the exact conference portal).
- **Orientation & Size**: Vertical/Portrait mode (often 9:16 aspect ratio, e.g., 1080 x 1920 pixels or custom slide size of Height: 40" x Width: 30") designed for digital LED touchscreens or monitors.
- **File Limit**: Usually kept under 2MB to 10MB depending on the local committee rules.
- **Animations/Video**: Strictly **prohibited**; only static text, images, graphs, and tables are allowed.

Structure & Content

- **Header**: Title (matching the submitted abstract), presenting and co-authors' names, and institutional affiliations. Underline the presenting author.
- **Introduction / Background**: Brief, 3–5 lines or short bullet points outlining why the study was done.
- **Methods**: Concise summary of study design, material, or approach.
- **Results**: Use clear tables, bar charts, or labeled images rather than dense blocks of text.
- **Conclusion**: Key take-home message placed cleanly near the bottom or lower-right.
- **References & Acknowledgements**: Limit to 3–5 core references or use a QR code to save space.

Typography & Design Rules

- **Fonts**: Clean, legible sans-serif or serif fonts like Arial, Calibri, Helvetica, or Times New Roman.
- **Font Sizes**:
  - Title: 48–72 points (bold)
  - Subheadings/Section Headers: 32–48 points
  - Body Text: Minimum 24 points (legible from 1–2 meters away)
- **Color Scheme**: High-contrast, plain or light background (avoid dark, jarring, or patterned backgrounds).
- **Conciseness**: Aim for short phrases and bullet points; avoid full paragraphs or reading text straight off a slide.
