TYPOGRAPHY & READABILITY STANDARD (VIEWING DISTANCE: 1–2 METERS)

Poster Section	Font Size (pt)	Visual Weight & Formatting
Poster Main Title	**48 – 72 pt**	**Bold**, Centered or Left, matches abstract title verbatim
Section Headings	**32 – 48 pt**	**Bold**, colored block/banner accent, title case
Body Text & Prose	**≥ 24 pt (Minimum)**	Regular, 1.2× line spacing, crisp legibility at distance
Data Tables / Charts	**20 – 26 pt**	High contrast, labeled axes, bold table headers
References & Footers	**18 – 20 pt**	Single line or QR code link to full citations

Essential Presentation Principle: Aim for brevity, bullet points, and concise key phrases. Avoid solid blocks of narrative text. An effective e-poster is an executive visual summary designed for lively interactive discussion, not a transcribed manuscript.
